

**Lose up to 30 lbs
in 30 days...**

by April 2!

"After I had my fourth child, I was very overweight and tired all the time. I began taking these products and right away my energy level was incredible! I no longer felt the need to take daily naps which was important to me as a mother! The very first week I lost 4 pounds and 5 inches and I lost a total of 25 pounds in 8 weeks and I lost 34 inches of fat from my frame! AND I've kept it off for over 10 years! I went from a size 10 to a size 4! I feel absolutely incredible and feel better than I did in my teens!! I love these products! If I can do it, you can too!"
